

# Alnwick Civic Society

Alnwick Civic Society was formed to conserve and enhance our historic town. We want to see: ☒ a thriving community ☒ a balance between development and conservation ☒ the quality of Alnwick's built heritage and natural environment protected for future generations.

If you share our aims then you can support our work by joining as an individual, family, student or business member.

## Benefits of membership

### Meet like-minded people

We are an enthusiastic, committed and friendly group, drawing on a mix of different backgrounds and skills. Our annual programme includes talks, an "Any Questions" discussion and visits to places that are not normally open to the public. Members also participate in community activities and form sub-groups to cover special interests.

### Find out more about the place where we live

All members receive our quarterly newsletter, a copy of our book on the town's built heritage: "*Some Alnwick Heritage Heroes*" (while stocks last), and invitations to activities, events and visits.

### Make a difference

The society gives members a voice and access to experts in conservation, heritage, transport and planning. We maintain a dialogue with our elected representatives, planning, transport, and conservation professionals; and like-minded organisations across Northumberland and beyond. We respond to public consultations, offer advice and scrutinise development proposals. We were involved in development of the Alnwick & Denwick Neighbourhood Plan; work with local partners to influence policy at a county level and seek to influence national policy by co-operating with others in the civic movement. We were a founding member of Civic Voice.
